DO YOU SMOKE?

If you're a smoker, you know that smoking a

cigarette can be one of those rare and pleasurable moments. And the chances are you don't want to give up any of that, even if you are becoming more and more concerned about smoking.

Which brings us to Vantage. Vantage is the cigarette for people who may have had second thoughts about smoking and are looking for a way to do something about it.

Vantage cuts down substantially on what you may not want, without cutting out that satisfying tobacco flavour you've come to appreciate.

Now Vantage isn't the only cigarette of its kind you can smoke, but it may well be the only

one you'll enjoy. To put it simply. Vantage still tastes like a cigarette. Think of the pleasure of smoking. Think Vantage,
